

abstract::Header

```
classDiagram
    class abstractHeader["abstract::Header"]
    class ipHeader["ip::Header"]
    ipHeader --|> abstractHeader
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text "abstract::Header". Below it is a gray rectangular box with a black border containing the text "ip::Header". A solid blue arrow points vertically from the top center of the "ip::Header" box to the bottom center of the "abstract::Header" box, indicating that "ip::Header" inherits from "abstract::Header".

ip::Header
