

Simulator

```
graph BT; A[demultiplexer< MSG >] --> B[Simulator]
```

The diagram consists of two rectangular boxes. The top box is white with a thin black border and contains the word "Simulator". The bottom box is gray with a thick black border and contains the text "demultiplexer< MSG >". A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box.

demultiplexer< MSG >
